

TO WHOM IT MAY CONCERN

This is to certify that **Mr. Shashank Shankar Singh** has completed his internship as a Software Development Intern at Sooru AI Private Limited (Sooru.AI) from **June, 9th 2025 to October, 9th 2025** (Four Months)

During his internship, he contributed effectively to the development of software solutions and was actively involved in implementing and testing various features aligned with the company's objectives. His ability to quickly grasp technical concepts and apply them in real-world projects has been commendable.

He has demonstrated strong analytical and problem-solving skills throughout the internship and has shown great enthusiasm to learn beyond his area of responsibility. His work ethic, dedication, and technical understanding have added value to the projects he was part of.

We appreciate his hard work and contributions to the team and wish him continued success in all his future endeavors.
